Descriptions of Workshops

The Legislative Panel will be moderated by the State Master, who will lead a question and answer period with our current New Hampshire Legislators who are Grange members. We will learn about the upcoming topics that will affect all Grangers in New Hampshire.

1A. Project Night is one of the many Family committees projects that they do throughout the year. These are fleece blankets that are created with no sewing. Come join Debbie as she teaches you how to make these blankets.

1B. Building Communities through Granges is a workshop that will teach Grangers to think outside the box when doing community outreach. Come learn what others are doing in their Granges and possibly be inspired to try something new.

New Hampshire Humanities awards grants and develops and sponsors free public programs such as book discussions, workshops, seminars, and conferences led by scholars in literature, history, languages, ethics, philosophy, comparative religion and culture, and the interpretation of the arts.

2A. Paper crafts, Old and New is a workshop that will show examples of using paper in your art and craft projects. You will receive ideas for your members to do at a meeting. You will be able to complete a project to show off and enter into the Youth Paper craft Contest later in the year if you so choose.

2B. Backyard Poultry will provide you with a basic understanding of raising chickens in your own back yard. Attendees will learn how to raise chickens from eggs, take care of chickens as they grow and harvest the products of chickens for their eggs or meat.

Computer Security is a beginners guide to protecting yourself online. Learn how to determine what are real sites and which ones are not. Learn about some tools that beginners can use to resolve their own computer security issues without having to pay lots of money to fix.

Directions to the Woodside Building

From Plymouth and points North - Take I-93 south to exit 23 (Route 104/132). Take Route 104 east to Meredith Center Rd. Turn right onto Meredith Center Road. At the end of Meredith Center Road, go straight across the intersection to Elm Street. Follow Elm St. to Route 3. Turn right on Business Route 3 South. Follow Route 3 south to Ledges Rd. on the left (Look for Taylor Community Signage). Follow Ledges Road to the stop sign. Drive straight through the four way and the Woodside Building will be on the right.

From Concord and points South, East and West - Take I-93 north to exit 20(Route 3). Follow Route 3 north to Laconia. Ledges Road is located on the right side of the road (Look for the Taylor Community Signage). Follow Ledges Road to the stop sign. Drive straight through the four way and the Woodside Building will be on the right.
