Taylor Community is a non-profit continuing care retirement community located in the Lakes Region of NH. Its large campus includes 60 independent living apartments and 123 cottages nestled on beautifully landscaped grounds with plenty of privacy. Assisted living, respite care and private room nursing are also available. Taylor Community is a non-smoking facility. This means that there is no smoking allowed anywhere on the property. If any attendee wishes to smoke, they must leave the property (all the way to Route 3). If you smoke on the property, you will be asked to leave. Taylor Community has a strict speed limit that is enforced by all residents. Do not exceed the 19 ½ MPH limit on the grounds. To get to the building, turn into Taylor Community from Route 3 and follow the main road to the left. When you get to the stop sign, go straight through and the building will be on the right. There is no assigned parking except for handicapped parking.
