Dear Brothers and Sisters,

It is imperative to get the new application out to the college students in your area and make them aware of our scholarship's availability. The Trustees of the scholarship funds have developed an updated criteria opening the application to any college student seeking assistance and in helping the trustees to decide who should receive scholarships. Students today need all the help they can get. Won't you help them? A copy of the criteria is included.

The new scholarship application is also enclosed in the event that you have an eligible applicant in your Grange area. Please return the completed application to the above address on or before September 15th. (Make as many copies as you wish and share them.)

Please destroy application forms which do not have the revision date of 5/2023.

The Trustees of the Educational Aid & Howes Nurses' Scholarship Funds, ask for your support as we continue our annual appeal for financial help!
Please send the form at the bottom of the page with your donations to J. Patrick Elwell at the above address with a check

Fraternally,
J. Patrick Elwell
