Annual Report October 2, 2023

Worthy Master, State Officers, Delegates and Members of the Maine State Grange:

This year the scholarship committee opened the application to all students who had completed at least one year of post-secondary education. As a result, we received seventeen applications. We met on September 24, 2023 and selected two students to receive scholarships from the Howes fund and seven to receive scholarships from the Educational Aid Fund. These awards will be for \$500 each. The presentation will be made at the State Grange annual session on October 20, 2023.

Thank you to all who contributed to the funds so that we make these awards. We ask you to continue to support the committee as we assist our students. Please promote this program in your areas.

Respectfully Submitted
