Dear Brothers and Sisters,

It is imperative to get the current application out to the college students in your area and make them aware of our scholarship's availability. The Trustees of the scholarship funds have developed an updated criteria opening the application to any college student seeking assistance and in helping the trustees to decide who should receive scholarships. Students today need all the help they can get. Won't you help them? The Trustees of the Educational Aid & Howes Nurses' Scholarship Funds, ask for your support as we continue our annual appeal for financial help!

The current criteria and scholarship application are enclosed in the event you have an eligible applicant in your Grange area. Please return the completed application and college transcript to the above address, to be received on or before September 15<sup>th</sup>. (Make as many copies as you wish and share them.)

**Please destroy application forms which do not have the revision date of 5/2025.**

Please send the form at the bottom of the page with your donations to:  
Nancy Farrington at the above address with a check
