HOWES NURSES' SCHOLARSHIP COMMITTEE

Carolyn Van Horn, President

Educational Aid and Howes Nurses' Scholarship Funds
Annual Report October 1, 2025

Worthy Master, State Officers, Delegates and Members of the Maine State Grange:

This year the scholarship committee again opened the application to Maine students pursuing higher education and completed at least one (1) year at an accredited college. As a result, we received eleven applications! We met September 28, 2025, and selected two students to receive scholarships from the Howes Nurses' Scholarship Funds and nine to receive scholarships from the Educational Aid Funds. These awards will be for \$500.00 each. The presentations will be made at the State Grange annual session on October 17, 2025.

Thank you all who contributed to the funds making these awards possible. Your generous contributions allowed us to award \$5,500.00 in scholarships! We respectfully ask you to continue your support to the committee as we strive to assist more students in 2026 and please continue to promote the scholarship program in your area.

Respectfully Submitted,
